

Community Court Teens Learning Control (TLC) Program

The Teens Learning Control (TLC) Program is an alternative sentencing program administered through the Community Court Division of Municipal Court. TLC provides traffic offenders between the ages of 17 and 20 the opportunity to learn more about the traffic laws of Georgia and the consequences of not obeying them.

There are five modules in the TLC program. The Judge will place you in the appropriate module based on your charge. Each Module has set requirements to complete (see chart on back).

What are some advantages of participating in and completing the TLC program?

- Upon completion, your charge may be dismissed if you have no prior charges
- You will not have to pay the ticket fine and court costs (only the costs of the classes)
- You will not get points on your license
- Your license may not be suspended

How long will it take to complete the program?

Depending on the module you are placed in, you will be given a specific time limit to complete the program and return to court. You may not need the entire time to complete all the requirements associated with your module.

Module I: 30 Days	Module III: 90 Days
Module II: 60 Days	Module IV: 90 Days (for participants whose 1 st language is not English – see staff)
	Module V: 90 Days

How do I register?

You may register in-person immediately after leaving court (8:00am-5:00pm) Monday through Thursday or you may register online at the TLC Website.

To register online, go to the city website (<http://www.atlantaga.gov>), place cursor on Judicial Agencies and click on Teens Learning Control Program in the drop down box. Complete steps 1, 2, and 3 of the registration process and email/fax it back to the TLC office within 72 hours after leaving court. Fax: 404 588-5995. After completing your registration, begin completing requirements immediately.
